

*Hey, youth leader!*

This is a Christian fantasy book that will bring everything you read from the Bible to light in a new, real, and personal way.

*- Emily (Young Adult reader)*

# FREE E-BOOK!

*A gift to our churches & campers*

One of our very own volunteers (Maggie Platt from Great Escape Midwest) recently released a Christian young adult novel that is getting fantastic reviews, particularly from 13-18 year olds. It has been compared to Narnia for its use of allegory to tell the Jesus story. We worked with her publisher to offer **FREE KINDLE DOWNLOADS** to every person in our extended YCM family. We hope you'll check it out!

Mark your calendars for **July 13-15** (the only days this offer is available)

[Use this link to download a study guide](#) for small groups!

*Want to know more about the book? Go to [MaggiePlatt.com](http://MaggiePlatt.com).*

# FREE E-BOOK!

A gift from Great Escape, Fun in the Son, and Son Servants

*Just to say "We miss you!"*

There were twists and cliffhangers after most chapters, which made it hard to put down.

*-Ben*

It completely transported me to a different world. It displays God's loving character so well, which is something I really needed reminding of.

*-Elizabeth (from Work Crew!)*

I connected with the characters who wrestled with issues of pain/suffering, greed, comparison, identity and worth woven creatively into this fantasy world

*-Chad*

I haven't cried reading a book in a long time... but tears were streaming down my face while reading the scene in the dungeon.

*-Allie*

Mark your calendars for **July 13-15**  
(the only days the e-book is free!)

## **What if the nine Fruit of the Spirit and the Seven Deadly Sins were locked in a battle for control?**

Abandoned as infants, Tovi and her twin brother were raised by an eclectic tribe of warm, kind people in a treehouse village in the valley. After her brother's sudden disappearance Tovi questions her life and her faith in an invisible King. Ignoring her best friend Silas' advice, she decides to search for her brother in the kingdom on top of the mountain.

Above the cloud, the Council of Masters receives their orders. Tovi and her brother are the objectives. King Damien has a plan and Tovi is the key. The Council of Masters want her, but will she remain unscathed? Amidst the glamour of the kingdom above the cloud Tovi is torn between her own dark desires and unanswered questions. It starts with a snake and a crown. When the ring is complete, will her life be over?

Fans of C.S. Lewis, J.R.R. Tolkien, G.K. Chesterton, and George R.R. Martin will delight in this first installment of Tales from Adia.
