

WORK CREW APPLICATION

Fun In The Sun, Hilton Head 2022

Dear Work Crew Applicant,

First let us start by saying we are so thrilled that you have decided to take the time to apply for Fun In The Sun Work Crew for 2022! We are humbled and excited to serving our students this year and know that God has amazing things in store for each of us this summer!

This year FITS will be open to middle and high school students. Work Crew is asked to arrive by 11am July 10th and will depart the morning of July 15th. Serving as a member of the Work Crew team is hard, hot work, but incredibly rewarding as well as fun. As a member of the team, you have the opportunity to create space and set the table for students to encounter Jesus. Work Crew embodies what it means to serve as the hands and feet of Jesus.

Every year we are blessed to have such incredible individuals who decide to apply to serve on Work Crew. Whether you have had the opportunity to serve on Work Crew for years or this is your first year applying, we ask that you take the time to prayerfully answer the questions on the following pages. This application has been created so that we can get to know you a little bit and gain a small understanding of your call to serve at FITS this summer. We also ask that you send 2 personal references. Those may be sent separately from the application.

If you have any questions regarding the application or camp in general, please feel free to contact us! We're praying for each of you and the week that God has and will continue to put together for summer 2022!
